Dear Colleague,

## Connecting Advice in Dorset – Local Advice Network

On behalf of the Connecting Advice in Dorset project, I would like to invite you to the first Local Advice Network meeting for the [xxx] area.

The meeting will be held at [time] on [day and date] at [place].

Local Advice Networks are being established across the Bournemouth, Dorset and Poole area as part of the two-year Connecting Advice in Dorset project. I have attached some Key Facts about the project for your information.

Joining the local network will give you opportunities to:

- Get to know other advice providers in the local area, find out what they do and how to signpost or refer to their services
- Access free training and consultancy being provided by the project
- Share learning and good practice
- Work together to improve access to advice for local residents
- Be involved in joint funding bids
- Take part in a skills and assets audit in order to identify opportunities for sharing
- Take part in preventative action such as promoting credit unions, campaigning for improved practices, developing financial capability in clients

and much more.

We would be grateful if you would let me know if you are able to attend by emailing [email address] or phoning [phone number]. If you would like more information, please do not hesitate to get in touch.

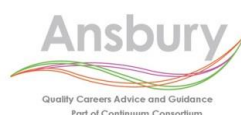

We look forward to seeing you there,

With regards
